## STEP 1 – PROGRAM GUIDELINES

<p><b>Objective and Program Description</b></p>	<p>The objective of the Theatre Production Project Grant Program for emerging artists is to provide assistance to professional non-profit theatre organizations, and ad hoc groups of professional theatre artists for the development and/or production of theatre. “Ad hoc group” refers to a group of artists formed for the specific purpose of creating a unique work. Emerging artists refers to companies or “Ad hoc groups” where the principal members have up to 10 years professional experience.</p> <p>Grants are intended as a contribution towards the specific costs of:</p> <ul style="list-style-type: none"> <li>• a period of development geared towards future production (projects should include at least one public presentation, such as a public reading or workshop),</li> </ul> <p>or</p> <ul style="list-style-type: none"> <li>• theatre production (which may also include development).</li> </ul>
<p><b>Eligibility</b></p>	<p>Canadian professional non-profit theatre organizations and ad hoc groups of professional theatre artists are eligible.</p> <p>The Canada Council for the Arts defines professional artist as someone who:</p> <ul style="list-style-type: none"> <li>• has specialized training in the field (not necessarily in academic institutions)</li> <li>• is recognized as such by peers (artists working in the same artistic tradition), and</li> <li>• has history of public presentation or publication.</li> </ul> <p>It is mandatory for the applicant to submit resumes that state the <b>relevant professional experience</b> of the principal artists involved in the company or ad hoc group.</p> <p>Applicants have the responsibility to submit all necessary information which will permit their eligibility to be clearly established. The Canada Council for the Arts will base its decisions on the information provided in the application.</p> <p>Applicants must be Canadian citizens or have permanent resident status, as defined by Citizenship and Immigration Canada.</p> <p>Incorporated, not for profit theatre organizations currently receiving operating assistance from the Theatre Section of the Canada Council for the Arts are not eligible to apply to this program.</p> <p>Co-productions or co-presentations are eligible. Only one application per project is accepted. Applicants must include a co-production agreement signed by their co-producing partner, or a letter of intent to co-present signed by their co-presenting partner.</p> <p>The Theatre Section reserves the right to transfer applications to Theatre Production Project Grants for Established Artists, if circumstances warrant.</p> <p>Companies or groups of artists may not submit a new application to the Canada Council until outstanding final reports are received <b>under separate cover</b> and approved by an officer.</p>

<p><b>Eligibility (continued)</b></p>	<p><b>Restrictions and Other Important Information</b></p> <ul style="list-style-type: none"> <li>• <b>The application must include a letter of feasibility from an established professional theatre organization or artist.</b></li> <li>• Companies or groups of artists who have already received three Production Project grants from the Theatre Section will be assessed as Established artists.</li> <li>• Applicants who have been unsuccessful in a previous competition may not re-submit the same project to a subsequent competition without first speaking with a Theatre Section Officer to discuss changes to the project. <b>The Theatre Section reserves the right to accept or refuse the second request.</b></li> <li>• A theatre company or group of artists may submit only one Production Project Grant application per competition.</li> <li>• <b>Applications from ad hoc groups</b> must include a one page statement from each of the principal artists detailing their artistic participation in the project.</li> <li>• Projects must start after the application deadline date; the Canada Council will not provide retroactive funding.</li> <li>• Projects originating in a learning institution, including end of term projects are not eligible in this program</li> <li>• Applicants should be aware that meeting the eligibility criteria allows them to apply to the program. It does not, however, guarantee that they will receive a grant.</li> <li>• Grant recommendations are made by a peer assessment committee, based on the overall merit of the project in a national comparative context and on the funds available.</li> <li>• This Canada Council program is accessible to Aboriginal artists or arts organizations and artists or arts organizations from diverse cultural and regional communities of Canada.</li> </ul>
<p><b>Grant Amount</b></p>	<p>Grants awarded range from \$5,000 to \$12,000 for development activity, and from \$5,000 to \$20,000 for productions (which may also include development). Because of the high number of applications received and the limited resources available, grants awarded are usually smaller than the amounts requested.</p> <p><b>Retroactive funding is not available.</b></p>
<p><b>Assessment of Applications</b></p>	<p><b>Assessment Process</b></p> <p>Applications are reviewed for eligibility, according to the published criteria, by the Theatre Section, with outside consultation if needed.</p> <p>Eligible applications are evaluated, in a national comparative context, by a peer assessment committee. The committee is a representative body of theatre professionals, with various kinds of expertise. Members are selected to ensure balanced representation of gender, experience, regional and cultural diversity, Aboriginal Peoples and genres.</p> <p>The committee bases its assessment of applications on the artistic and administrative criteria described below.</p>

**Assessment of Applications (continued)**

**Artistic Criteria**

Applications will be assessed according to the following criteria:

- **Articulation, clarity, originality and quality of the artistic process.** Explain the details of the artistic process you intend to follow for this project. Indicate the specific challenges the work involves and how you intend to resolve these challenges. Highlight the originality of your artistic proposal.
- **Artistic interest of the project.** Explain your artistic choices (aesthetic, text, design, casting, directing, etc.). Highlight the motivations behind these choices and how they will contribute to the realization of the project. **Include a work schedule.**
- **Impact of the project on the development of Canadian theatre artists.** Describe how your project will contribute to the development of the artists involved or to the development of your company (if applicable).
- **Public impact of the project.** Indicate the type of audience you wish to reach and your audience development strategy. Include realistic box office projections.

**Administrative Criteria**

These criteria refer to the financial situation of the group/company and to the realism of budgets and planning for the project. Applications will be assessed according to the following criteria:

- **an appropriate balance between expenditures and revenues**
- **appropriate planning and allocation of resources to production, marketing and administration, and**
- **the diversification of revenue sources** (for workshop or development projects, the Canada Council understands that box office revenue will be less than that for production projects, and that possibilities for diversification of revenues will be limited).

Based on these artistic and administrative criteria, the peer assessment committee establishes, by consensus, the priority of projects to be funded, as well as specific grant amounts.

Priority will be given to projects that propose a distinctive, original or innovative approach to theatre.

## STEP 2 – IMPORTANT INFORMATION FOR APPLICANTS

### May I submit support material not included or described on the checklist?

Yes, if this support material is pertinent for the assessment of the application. Please contact a program officer to verify the pertinence of additional support material. Submit the material requested, and carefully choose the material you include. All support material is not necessarily examined by the peer assessors; however, all material is available to them for consultation during the assessment process. Committee members have a limited time in which to study each grant application.

### How will I be informed that my application has been received at the Canada Council?

The Canada Council will send you, by mail, a notice acknowledging that it has received your application. The Council will send this notice within a week after your application arrives.

### Is my information protected?

The Privacy Act protects your personal information and gives you a right to access your information. Personal information is maintained in Personal Information Bank CAC PPU 130. All other information may be accessible to others under the Access to Information Act.

Note that on a confidential basis, the Canada Council for the Arts may share information related to applications and awards with officials in other arts and cultural industry funding agencies to assist with program planning and application evaluation.

### When and how will I find out the results of my application?

You will receive the results, by letter, approximately **four months** after the application deadline. Note that for privacy reasons, the Canada Council does not release results by telephone or email.

### Are there conditions attached to our grant?

All recipients of Canada Council for the Arts grants must comply with certain conditions, which will be included in the grant notification. Some conditions are described below.

#### *Final Report and Financial Accounting*

The Theatre Section will pay the grant in one installment upon receipt of a revised budget and confirmation of the applicant's project details and a signed Grant Acknowledgement Form.

On completion of the work or project, the grant recipient must submit a final report, which includes the financial actuals for the project. **Failure to submit an outstanding final report will make applicants ineligible for further assistance until a final report has been received by the Canada Council and approved by the Program Officer.**

#### *Acknowledgement of Canada Council Support*

Successful applicants must acknowledge the support of the Canada Council for the Arts in all promotional material associated with the grant. Please ensure that you use the most recent version of the Canada Council logo, which you can download from the Council's website at [www.canadacouncil.ca/aboutus/logos](http://www.canadacouncil.ca/aboutus/logos).

**Can I find out who got a grant and who was on the peer assessment committee?**

Yes. You can access the Searchable Grants Listing, a database of successful grant applicants, at [www.canadacouncil.ca/grants/recipients](http://www.canadacouncil.ca/grants/recipients). You can also contact the Canada Council, in writing, to request the list of peer assessors.
